

Yeoman Park Academy Summer Term 2018 Newsletter

News from the Principal.

Hi to all our parents and carers. We have a new look newsletter to fit in line with the GDPR (General Data Protection Regulations). You may see your child's photograph in the newsletter (if you have given permission) but you will not see their name printed. We would really appreciate your feedback on this newsletter or if you have any ideas or suggestions for our next one which will be in the autumn term.

I also have some other news for you. After thinking long and hard, I have made the decision to retire at Christmas. I feel that it's the right time for me and the Transition for Yeoman Park to become an Academy and part of the DALP Multi Academy Trust is now complete. I shall spend time with my family and friends, I will also be doing a bit of DIY/home improvements and I am looking forward to enjoying some nice relaxing holidays!

I have been at Yeoman Park for 31 years and involved in special education for 38 years!

I will of course, keep you updated throughout the rest of the year and I shall be having a nice Christmas Party in school to which you are all invited!

Claire's Class

Claire's class have had lots of fun exploring the ocean with Debi and Lilly our dance teachers. We have been under the sea, moved like sea creatures and rocked up and down like we were on a boat.

Transition Unit

**T.U. HAVE BEEN OUT AND ABOUT THIS TERM.
A VISIT TO JANGO'S WAS A GREAT SUCCESS.
THE WEATHER HAS BEEN GREAT FOR ADVENTURE
SERVICES ACTIVITIES. WE HAVE PLAYED GAMES IN
THE WOODS AND ENJOYED LEARNING ABOUT FIRE
CRAFT, WE COOKED POPCORN, CHOCOLATE
BANANAS AND PIZZA – DELICIOUS!**

**WE HAVE ALSO ENJOYED BEING OUT ON THE GREEN
LEARNING THE SKILLS FOR KWIK CRICKET.**

**WE REALLY ENJOYED DRESSING UP AND TAKING PART IN A
SPECIAL ASSEMBLY TO CELEBRATE THE ROYAL WEDDING.**

Jen's Class

Our class has been busy exploring and playing games at adventure services this term. We loved playing the game hide and seek in the forest. Hiding behind trees was a favourite hiding spot. Our class enjoyed working together to make a big magic carpet with flowers, leaves, and sticks. We also collected leaves and sticks to make clay animals. Everyone proudly displayed their clay animal.
