EVALUATED

Yeoman Park Academy: Sports and PE grant for 2017 -18

Sports Premium

Yeoman Park Academy appreciates the contribution of PE to the health and well-being of its children. We also acknowledge that a broad, balanced, high quality curriculum and extra-curricular activities have a positive impact on concentration, attitude and achievement.

We are committed to ensuring that all pupils receive a minimum of 2 hours of PE per week, delivered by well-trained and enthusiastic teachers. The Sport Premium funding is allowing us to develop a sustainable improvement in teacher confidence and a new curriculum based on developing children's physical skills.

Regular staff training opportunities are provided for teachers and teaching assistants (TAs) to keep them abreast of new initiatives.

What is the Sports Premium?

The government is providing funding of £150 million per annum for the academic years to provide new and substantial primary and special school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary and special schools to spend on improving the quality of sport and PE for all their children. The money can **only** be spent on sport and PE provision in schools.

What is the Sugar Tax?

In the 2016 Budget, Chancellor George Osborne announced that revenue from the soft drinks industry levy will be used to double the primary school PE and sport premium from £160 million per year to £320 million per year from September 2017, to help schools support healthier, more active lifestyles. This additional funding will enable primary schools to make further improvements to the quality and breadth of PE and sport they offer. This means that the sports grant has been doubled this year to £1000 per eligible student.

No. of Pupils on Roll: 86

Number of eligible students (Years 1-6) = 16 students @ £1,000 per pupil = £16,000

Total amount of PE and Sport grant: £16,000

PE and Sport grant spending 2017-18

Dance	£6750	To deliver specialised coaching services within academy from a fully qualified dance coach. (Debbi Hedderiwck)
<p>Purpose</p> <ul style="list-style-type: none"> • To deliver the Dance strand of the Physical Education Curriculum. • To increase interpersonal confidence and skills • To increase physical confidence and body awareness, including proprioception • To develop foundation physical skills from base point for each child: co-ordination, agility, core strength, balance, memory, sequencing <p>Evaluation</p> <ul style="list-style-type: none"> • Student feedback indicates that they enjoy these sessions • It is felt that it would be beneficial for primary to undertake sessions during the Autumn term such that activities could be incorporated in to a Christmas production. • Therapy records indicate that all students have benefitted from these session • Continue 		
Occupational Therapy	£2145	To deliver PE circuits to all pupils in academy
<p>Purpose</p> <ul style="list-style-type: none"> • To deliver 1/2 a day of Sensory Circuits for half of each term – Primary (1st half Autumn Term), Secondary (2nd half Spring Term) and Upper + Base (2nd half Summer Term) • To ensure staff develop a greater understanding of the sensory needs of pupils • Identify activities that have a calming, alerting and organising effect on the children to help enhance engagement within PE • Develop the children's sensory motor skills to engage in PE • Train staff to be confident to deliver a sensory motor PE session • Develop sensory motor strategies that can be used with the children across the academy environment • To improve pupils fitness and well being <p>Evaluation:</p> <ul style="list-style-type: none"> • Student feedback indicates that they enjoy these sessions • All classes report that OT input has a positive impact on students being ready to learn. • Therapy records indicate that all students have benefitted from these session

Orienteering/Outdoor Pursuits

£3825

Employ specialist staff to organise and deliver Outdoor Adventurous Activity including Forest Schools

Purpose

- To deliver the Outdoor Adventurous Activity strand of the Physical Education Curriculum.
- To ensure that all pupils take part in Forest academy sessions at a specialist offsite facility as appropriate
- To investigate the use of 'Forest Schools' approach to delivering outdoor and Adventurous activity

Evaluation

- Although these sessions have been well received it is thought that activities could be delivered in house and the forest schools trained member of staff used to deliver these and to increase the utilisation of the outside areas.

Discontinue

Outdoor Play Equipment

£3280

Continue to develop outdoor play facilities

Purpose

- to encourage physical activities
- to encourage independence
- to maintain current facilities

Evaluation

- Play equipment is used constructively by students but does have a limited life.
- Continue to update and replace equipment as requires
- Expand the materials available for use in Forest Schools.

- Figure may reduce due to increasing costs
