

# Pupil Premium Strategy 2019-20

## **Yeoman Park Academy Pupil Premium Strategy 2019 - 20**

Pupil Premium Funding is money allocated to schools by government for the specific purpose of supporting children aged between 5 and 16 years from disadvantaged backgrounds, to ensure they have equal access to educational opportunity and improve achievement.

The Pupil Premium grant is given to pupils who have registered for free school meals in the last 6 years (FSM6), or are Looked After Children (LAC). This money is additional to the main Academy budget.

Funding started in 2011/12 and has increased year on year.

This year, 2018 / Yeoman Park Academy has been allocated £37,925

An additional £103 of funding is also allocated for Early Years Foundation Stage?

38 % of pupils across Academy are eligible for Pupil Premium (33 out of 88 on role). This figure does not include post 16 discretionary funding.

Each Academy has the freedom to decide how to spend the money to maximize the impact on pupil progress and attainment.

### **Strategy and principles**

At Yeoman Park Academy we recognize that for our pupils their biggest barrier to learning is their learning difficulty and associated complex needs, such as physical, medical and behaviour. Our focus is to minimise these by enhancing the existing provision to aid pupil achievement and allow our pupils to participate in activities out of Academy that will develop their application of skills in real life social situations and help them become members of the wider community. We do this in an individual and targeted way to raising the attainment of this group of children and 'close the gap' in achievement.

At Yeoman Park Academy we have decided to target 4 main areas:

- Providing opportunities for pupils to generalise their skills in social situations.
- Developing communication skills – listening and speaking and understanding.
- Occupational Therapy, providing support and strategies to enhance pupil development.
- Providing Math's, Reading and Writing 'Focused Learning' opportunities individually or in groups.

The EYFS funding is used to develop quality of staff and provision through Continuing Professional Development.

Interventions are reviewed termly with teachers to ensure they are having the intended impact and pupils are making expected progress. Throughout the year, a whole Academy Mapping Document is maintained. This tracks interventions activities and opportunities, intended and actual impact on attainment for all pupils.

## Yeoman Park Academy Pupil Premium Strategy 2019 - 20

Activity / Opportunity / When	Allocation	Intended impact Statements
