

We have tried to compile work for you to do with your children. We appreciate that this is a difficult ask and therefore is only optional.

Memory boxes –

Place a few items in a box. Remove one or more of the items and see if you can find out what is missing

Literacy –

Oxford Owl – a free online tool to read with your children. You can find online books with follow up activities to support the pupils understanding of the story.

HFW – read and recall the top high frequency words

Spaghetti spelling- use spaghetti letters to sound out words or letter sounds.

Reading – share books together – design new front covers

Maths

Coins – look at a variety of coins – can you add a total amount using 1p, 2p etc

Topmarks – a range of games including maths, literacy and spelling

Pairs – can you find pairs of socks around the home

Weight – see if you can make some treats using measuring scales. Investigate heavier and lighter.

Shapes – can you find a range of 2D and 3D shapes around your home?
