

Name: .....

Date: .....

Target: I can use a pictogram to answer questions.

This **pictogram** shows how many cars were in Matt the mechanic's garage last week.

How many cars were in the garage each day?

Day of the week	Amount of cars	Number
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

Use the **pictogram** to answer these questions.  
Remember to read the questions carefully!

On which day was there **only 1** car in the garage?

.....

On which day were the **most** amount of cars in the garage?

.....

On which day were the **least** amount of cars in the garage?

.....

How many cars were there **altogether**?

.....
