

## **Growing Plants Work to do – Mason, Nathan and Josh M**

Please use PowerPoint in Planting folder to complete these questions.

So you do not have to print off anything, please get student to write questions down in a notebook or on paper and answer questions underneath each question!

1. What do plants need to grow?
2. Why does it need them?
3. What parts of a plant does?
4. Draw and label plant
5. What fruit and vegetables do you like to eat?
6. What fruit and vegetables do you not like to eat?
