Year B	Food Preparation - Chefs	Dentist	Road Safety – Lollipop People
Year C	Army and Soldiers	Postal Service	Police Officers
Year D	Shop Workers and Cashiers	Firefighters	Lifeguards and Sports Coaches

Learners will access exposure to different career pathways through explorative play, continuous provision and visits from people in the local community.

Each learner will be provided with opportunities to explore the career pathways, meeting individual needs and prioritising their individual end goals within this area of the curriculum.

The focus within this strand of the curriculum is to provide learners with information and exposure to the jobs which are part of their everyday lives.
