Spring 2	Weather	Seasons
<hr/>		
Summer 1	Food	Classroom Objects
Summer 2	Body Parts	Family Members

This is a bi-annual long-term plan, whereby every other year these topics will be the same, however, the activities and sessions can be adapted in order to be linked to the curriculum theme/topic for the term, where appropriate.

The bi-annual plan allows learners to re-visit prior learning and consolidate their understanding and use of French words within themes.
