| <b>Year D</b> | Household Maintenance                   | Clothing Care and Personal Care | Cleaning Routines   |

From the Summer Term for Year 10 (Years A, B, C, and D) Learners will have the opportunity to create a personal careers action plan related to their interests and hobbies ready for when they are in Year 11.  
IGD employability workshops will be accessible for all learners in Year 7 to 10 to access virtually or face to face.

Learners will have access to different career and PFA pathways through explorative materials, workshops, visits in the community and from visitors, which are linked to the learner's interests and hobbies.

Each learner will be provided with opportunities to explore the career/ PFA pathways, meeting individual needs and prioritising their individual end goals within this area of the curriculum.

The focus within this strand of the curriculum is to provide learners with information and exposure to the PFA skills we need in our daily lives.
