Pathfinders is included into the Curriculum from Year 11 until Year 14 – experiencing different provisions, which include further education and day services.
 Careers interviews from different work placements, Preparing for Education (Nott's) and education outlets are included in from Year 11 to Year 12.
 IGD employability workshops will be accessible for all learners in Year 11 to 14 to access virtually or face to face.

Learners will have access to different career and PFA pathways through explorative materials, workshops, visits in the community and from visitors, which are linked to the learner's interests and hobbies – these will also be defined in regular Career interviews from different work placements etc.

Each learner will be provided with opportunities to explore the career/ PFA pathways, meeting individual needs and prioritising their individual end goals within this area of the curriculum.

The focus within this strand of the curriculum is to provide learners with information and exposure to the PFA skills we need in our daily lives as well as getting them ready for further education – accessed by our transition visits.
