Collaborative Learning

Inspiring Learning  
Environments

# To Raise Aspirations by learning...

To develop functional communication skills.

To demonstrate high levels of behaviour and learning.

To take ownership of their own learning, where possible.

To have a growth mind set – to aspire to be the best they can be.

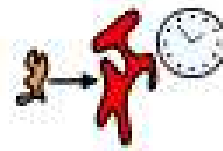

# To Create Brighter Tomorrows by...

Supporting their Aspirations for the Future.

Building Resilience and Adaptability.

Preparing for Upper School.

Creating positive members of the community.

Developing a sense of identity and self-esteem.

Having a Voice.
