MY COMMUNICATION

We use symbols within all of our lessons to help us develop our vocabulary.
We will now be changing our reading books on a Wednesday.
In sensory sounds, we will be focusing on the sounds Z, CH, QU, X, NG, NK' We will continue to work on our individual communication targets throughout the day.

MY THINKING AND PROBLEM SOLVING

Our science topic is plants so we are continuing to care for the seeds be planted last half term. We currently have beans, runner beans, tomato's, mint and radish. Each week we will check how our plants are doing and nurturing them.
In ICT we are beginning to explore cause and effect apps on our class l pads.

MY PSED

This half term in PSHE we are exploring healthy eating. For this we are exploring 2 different fruits each week to find out which is our class favourite. We are also doing life skills around the different types of emergency services, This is a lesson we do with our peers in Class 13.
We are also working on personal targets within class around our independence.

MY CREATIVITY

Each week we will focus on a different country taking part in the Olympics!
We will look at their food in cooking by following recipes, their art and architecture in Art and recreate some of the famous landmarks and listen to their music!
We explore making music and drama throughout the day and in our Friday Theme Days.

THE WORLD ABOUT ME

In History this half term we are learning about how the Olympics began through a story massage within class.
We are also learning about this area of the curriculum through our Friday Theme Days:

5th July – Hijiri New Year
19th July – Shabbat
