Class: 14 Phoenixes Term: Summer 2

Our Summer theme is Going for Gold! For this theme we will be exploring the Olympic and Paralympic Games.

Our Summer 2 reading book is Go Mo Go: Dinosaur Dash

MY COMMUNICATION

- In English we are developing our reading skills through regular reading sessions with different foci.
- In writing we are learning about fiction and non-fiction and some of the features of each. We will be creating our own fictional stories using the Olympics and Paralympics as a basis for our story ideas.
- We continue to develop our communication skills through using speech, Makaton and symbols in morning hello.

MY THINKING AND PROBLEM SOLVING

- Our Maths topic this half term is Four Operations and our application focus is Position and Direction.
- In Science: Biology we are learning more about plants alongside caring for our seedlings and watching them grow.
- In Computing we are learning about different software programmes and how they are used effectively to make our work better.

MY PSED

- In Physical Education we are learning about and practising the skills we need in striking and fielding activities, focusing on Rounders and Cricket.
- In PSHE we are developing our knowledge of health by looking at what makes a healthy, balanced diet and adapting our own food choices.
- In Careers and Enterprise, we are continuing to develop our employability skills as well as participating in our Enterprise activity.

MY CREATIVITY

- In Art we are creating a variety of pieces of work around the Olympic and Paralympic theme, learning about their significance and developing new skills.
- In Food Technology lessons we are learning how to make foods from some of the different countries involved in the Olympics and Paralympics.
- Some of our learners are continuing with their Music lessons.

THE WORLD ABOUT ME

- We are learning about Geography and History in relation to the Olympics and Paralympics, identifying important traditions and meanings of symbols.
- We are learning the Makaton signs and French for some of the different classroom objects as well as our family members.
- We are also learning about the world of work through choosing and completing Class Jobs for wages.

OTHER INFORMATION

- We are planning the following visits out this half term.
- 18.6.24: Sherwood Pines – Science visit.
- 21.6.24: Vicker Water Country Park.
- 8.7.24: Rufford Abbey
- 19.7.24: Met Office – Careers visit.
- 22.7.24: Woodland Adventure Zone – End of year rewards visit.
