

Curriculum Newsletter

Class: 9 - Hawks Term: Summer 2

This half term we are Going for Gold. We are celebrating all things Olympics! From inclusion, determination and teamwork we are looking at all attributes to be a winner in our lives.

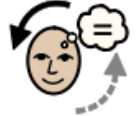

We will be reading 'The Boy with wings', by Lenny Henry this half term.

MY COMMUNICATION

In My Communication, we will be focusing on Fiction this half term and the different story genres. We will be focusing on a fiction story that celebrates a boy that is brave and determined, who has special superpowers to help others. This will be used as a springboard to create our own fiction stories based around 'going for gold'.

MY THINKING AND PROBLEM SOLVING

In maths we are discovering the world of direction. We will be investigating positional language and using directions. We will use this to support map reading and learning how to use coordinates.

In science we are continuing to focus on Biology, we will be looking at different plant and animal life cycles.

MY PSED

In my PSED, we are continuing to focus on healthy lifestyles and understanding the importance of physical exercise and how this helps our bodies to stay healthy.

In Careers, we will continue to learn about different occupations when out in the community.

In PE we will be playing summer team sports games outside, including, rounders, cricket, football and netball.

MY CREATIVITY

Pablo Picasso is our focused artist this term. We are creating collage and cubism. We will recreate famous art pieces and be influenced by their style to create our own.

During our food technology sessions, we are creating foods from around the world. The focus this term is to practise common sounds students can create as independently as possible.

THE WORLD ABOUT ME

Last term we focused on the ancient Olympic games and the development of modern Olympics. However, this term we are looking at the modern Olympics, developing our knowledge of France and cultures from around the world.

OTHER INFORMATION

Class 9 have had a fantastic year. We have all worked very hard this year and made amazing progress working together as a class team. We are planning a bowling trip before the end of the year as a class reward, we will be sending out letters next week to let you know when this will be.

Thank you for your continued support and hope everyone has a lovely summer!
