Class: 7 - Pelicans

Term: Spring 1

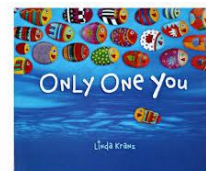

Yeoman
Park
ACADEMY

Our topic this term is There's Only One Me! This topic has a PSED focus, celebrating all that is unique and wonderful about each of us.

This half-term, we are reading Only One You by Linda Kranz.

MY COMMUNICATION

Our Communication focus this half term will link to PSED – reading, writing and talking about how we celebrate the similarities and differences between us. We will work towards writing a story including ourselves as the main character! We will do this through story mapping to plan each section of our story before writing it.

MY THINKING AND PROBLEM SOLVING

Maths this half term is continuing to develop our place value skills with larger numbers as well as developing a deeper understanding of 2D and 3D shapes. The science is about seasonal changes comparing the seasons in detail. ICT will be covered through other subject areas.

MY PSED

In PSED we will celebrate all that makes us, us. We will think about our characteristics that make us unique and special and what our friends like about us. We will also consider what makes and maintains positive relationships including family relationships and friendships.

MY CREATIVITY

We are going to have a push on independence in both cooking and art. We will repeat similar recipes over several weeks to develop independence of both technical skill and making choices around ingredients. In art, we will use a range of mediums / techniques to create Leonardo Da Vinci inspired work.

THE WORLD ABOUT ME

The history focus is how homes and families have changed over time, delving into what our local area was like in the past compared to now. In geography, we will consider the climate of our country compared to others around the world. In French we are learning more greetings and body parts.

OTHER INFORMATION

Sam has his PPA out of class on Monday mornings.
