Class: Investigators 1 Term: Summer 1

Our topic this term is Light It Up! This is a science-based topic where we will learn about electricity and how things work.

This term, we are reading *The King Who Banned the Dark*, by Emily Howarth-Booth.

MY COMMUNICATION

Our communication focus will be fiction based, linked to our topic. We will be reading our key text and using this as inspiration to influence our writing and letter formation.

We will also focus on verbal communication and work on our individual communication targets.

MY THINKING AND PROBLEM SOLVING

Maths this half term is about place value and time – we will be looking at sequencing and telling the time. In science, we are learning about electricity including how the switches on our toys work.

MY PSHE

In PSHE we will learn about personal space, and how to keep ourselves safe at home and at school.

We will have an RE day based on Christianity on 16th May where we will learn about the 12 Disciples.

We will be developing our track and field skills in athletics this half term.

MY CREATIVITY

In art, we are going to use the pointillism technique to create our own paintings.

In cooking we will focus on budget friendly meals that are simple to cook to increase independence.

THE WORLD ABOUT ME

In history and geography, we are looking at the local area. We will examine different buildings, their age and their distance from school.

We will be celebrating VE Day on Friday 9th May.

OTHER INFORMATION

Please send your child in suitable footwear for PE on Wednesdays. Megan will be in class on Fridays to cover Kathryn's non-contact time. We are very excited to continue our learning journey in our wonderful new school building.
