## Class: Investigators 1 Term: Summer 1

Our topic this half term is  
'Football Fever'

Our key text this half  
term is  
"Max the Champion"

### MY COMMUNICATION

This half term we will be exploring our new story 'Max the Champion'. We will be linking our letter formation, single word and sentence structure to our book to include different words associated with sport and competition. We will continue to stream our phonics sessions.

### MY THINKING AND PROBLEM SOLVING

In maths we will be looking at time and temperature through multisensory approaches. In science we will introduce the topic of states of matter through an attention autism approach to learn about solids, liquids and gases.

### MY PSED

In PSHE we will be focusing on physically and mentally healthy lifestyles.  
In PE we are taking part in summer athletics, plus some football in preparation for the World Cup!  
In careers we will be learning about lifeguards, and our RE focus is St George.

### MY CREATIVITY

Our artists focus this half term is Jackson Pollock, and we are basing our artwork around the World Cup host countries – USA, Mexico and Canada. Our cooking will also be linked to different foods from these countries.

### THE WORLD ABOUT ME

In geography we will explore Mexico, USA and Canada as we link this to our whole school topic - Football Fever.  
We will be exploring the names of classroom objects in French.

### OTHER INFORMATION

Swimming at Rebecca Adlington has now finished for this academic year.

**Our last day of Summer 1 will be Friday 22<sup>nd</sup> May**

Kathryn's non-contact time is on Tuesdays and is covered by Nic J.
