

Investigators Team

Vision

To inspire

Through:

Hands on, practical, fun learning experiences.

Building on pupils interests/hobbies.

Staff as role models providing lessons and learning opportunities that the pupils want to be part of.

Visits / visitors.

Collaborative learning.

Inspiring learning environments – inside and outside.

To raise aspirations

Through:

Developing functional communication skills.

High expectations of behaviour and learning.

Pupils to take ownership of their own learning (where possible).

Growth mindset – aspire to push themselves to be the best they can be.

To create brighter tomorrows

Through:

Supporting their aspirations for the future.

Building resilience and adaptability.

Preparing for Upper School.

Creating positive members of the community – ready for adulthood.

Developing sense of identity and self-esteem.
