Class: Discoverers 2 Term: Autumn 1

Our topic this term is 'Roman Invasion' so we will be learning about a very different period of time! We can't wait to explore interesting artefacts.

This half-term, we are exploring fiction. Our key text is 'We're going on a bear hunt' – a classic!

MY COMMUNICATION

In our weekly reading session, we will be exploring our text – 'We're going on a bear hunt', using our senses to explore objects, sounds and smells. Our focus sounds this half term are 'm a s d t' and we will be exploring the sounds, learning the letters, practising our mark making skills tracing these letters and beginning to match them to their objects or sounds. We will continue to work on our individual communication targets throughout the school day.

MY THINKING AND PROBLEM SOLVING

In our Maths sessions, we are developing our number knowledge linked to our individual maths targets. We will also be learning about measurement, exploring key concepts of big/small, heavy/light and full/empty. Our science this half term is about Animals, so we will be exploring different kinds of animals to see how they are similar or different.

MY PSED

In our Careers lessons we are studying 'Builders and Engineers' so expect us to come home singing Bob the Builder! We will be exploring lots of skills including building, twisting, and designing. In PE we are exploring our key skills of throwing and catching to give us a good foundation for the rest of the year. In PSHE sessions this term we will be learning about the people who care for us and in RE we are learning about the importance of the harvest.

MY CREATIVITY

In our Art and DT sessions this half-term, we are going to make some mosaics in the style of the Romans! We can't wait to get creative.

In Cooking, we will be making different soups to support our learning about harvest in RE.

We have daily opportunities to sing songs and get creative with mark making!

THE WORLD ABOUT ME

As part of our topic, we will be exploring the different ways the Romans lived. We will look at the togas they wore, the shields they used in the army and the fact they all used to have baths together!

We will be continuing our Friday Theme Days this year exploring lots of new and interesting things each week!

OTHER INFORMATION

We hope to have a smooth start back into school after the summer break but if you have any concerns with your child's transition please speak to us – we are here to support!

Please bring your child's swimming gear into school as they have a regular slot to access the hydrotherapy pool. Any problems let us know.

Please keep an eye out for letters detailing upcoming events.
