In Phonics we will be exploring new sounds using our senses. Our sounds this half term are; I, N, P, G, O. We will be practising different letter movements and shapes, and mark making using malleable materials.
We will continue to work on our individual communication targets throughout the school day.

MY THINKING AND PROBLEM SOLVING

We will also be learning about money. We will be exploring the shapes, colours and the use of money by venturing out into the community to the shops where we can practice paying for items.
Our science this term is about Animals, so we will be exploring different kinds of animals to see how they are similar or different.

MY PSED
